

Originally an olive grove and the summerhouse of the Grecotel owners, AgrecoFarms is part of the hotel group and is an innovative display and environmentally-friendly concept that features the traditional production methods of Greek product. Perched on a hill within vast land 7km east of Rethymnon and with views of the sea in the distance, this stunning farming estate boasts a replica of a 17th Century lodge, a restaurant, a church, a village square, a store and even a mini-zoo! Couples may enjoy getting ready on-site where 2-hr access to the bridal preparation room is available at a supplement. Ceremonies take place anytime from 4pm on the paved terrace of the 'village square' outside the picturesque church where chairs are provided (exclusivity can be guaranteed at no extra charge for parties of over 70 persons - charge applies for smaller parties).
