

Located in a leafy part of the town, Paphos Town Hall is a smart venue for a civil wedding and we could even arrange for you to travel in style from your hotel in one of the special wedding cars that are available for hire.

The wedding ceremony takes place inside the Town Hall that offers a choice of two rooms (one for up to 20 persons and another larger one), depending on the number of guests you have.

After the ceremony, treat your guests to a cocktail party and wedding reception at your hotel or a local restaurant. Once you've told her your preferences, we'll obtain full details of what is available for you to choose from, including any extra decorations you may wish us to source on your behalf.

Accommodation: We recommend you stay in any of the hotels we feature in Paphos.
