

Yermasoyia is situated east of Limassol and its **town hall** is at the Cultural Centre, an old stone building that has been renovated with much care and attention to detail.

Here, wedding ceremonies are conducted in a smart room with its walls decorated with framed samples of traditional lace. The gardens with the church of St Paraskevi in the background make a perfect setting for your wedding photographs.

We'll have plenty to suggest for your wedding reception, be it at your hotel or a local restaurant and we can also arrange transport to your chosen venue for you and your guests.

Accommodation: *We recommend you stay in any of the hotels we feature in Limassol.*
