

• Yermasoyia Town Hall • *Limassol*

Yermasoyia is situated east of Limassol and its town hall is at the Cultural Centre, an old stone building that has been beautifully renovated. Wedding ceremonies are conducted in a smart room where walls are decorated with framed samples of traditional lace. The gardens with the church of St Paraskevi in the background make a perfect setting for your wedding photos. We will then arrange to take you to where we have organised your reception.

• Paralimni Town Hall • *Protaras area*

Crystal waters, golden sandy beaches, the first sunrise in Europe, gorgeous sunsets... Paralimni holds all the ingredients for a very romantic start to your married life. To enhance the idyllic setting, Paralimni Town Hall has also created a beautiful wedding room that can accommodate up to 100 persons. White covered chairs, a white carpet, white decor and flower arrangements will perfectly complement your very special day.

• Ayia Napa Town Hall & Other Venues • *Ayia Napa*

The municipality of Ayia Napa offers you a diverse range of wedding venues and blessed with the most beautiful white sandy beaches, the area is a stunning location for weddings and honeymoons. Choose to marry inside the Town Hall (mon-Fri, 11am-2pm) or if you prefer to exchange your vows outdoors, you can do so at Ammos Tou Kampuri Beach where a purpose-built wooden structure invites couple to experience their important moment in an idyllic spot right by the waterfront.
