

• Peyia Town Hall • *Peyia*

Located 14km from Paphos, **Peyia** is a popular wedding venue. Civil ceremonies take place under the wooden gazebo set in the courtyard of the Town Hall. The old fountain, the stone steps and the garden surrounds enhance this picturesque outdoor setting.

To add even more local flavour to your special day, we can arrange for musicians to accompany the bride as she walks towards the gazebo to meet her groom..

A very important day for Mr & Mrs Haselden as they exchange their vows at Peyia Town Hall

Cyprus

Civil Weddings at **Town Halls**

• Yeroskipou Town Hall • *Yeroskipou*

Yeroskipou is located less than 10 minutes drive from Paphos and easily reached from any of the hotels we feature in Paphos and Coral Bay. The ceremony takes place under a shaded area that stands outside the picturesque building (no restrictions on the number of guests). The sand stone walls and steps outside the Town Hall, together with the garden surrounds and sea views in the distance, are all favourite spots for wedding photographs.

• Paphos Town Hall • *Paphos*

Located in a leafy part of the town, Paphos Town Hall is a smart venue for a civil wedding and we could even arrange for you to travel in style from your hotel in one of the special wedding cars. The ceremony takes place inside the Town Hall that offers a choice of two rooms (one for up to 20 persons and another larger one), depending on the number of guests you have. Then, back to your hotel or a local restaurant for your reception.
