All set up for a late afternoon wedding ceremony

The popular Pyrgos Restaurant is situated just at the entrance of the village of Pyrgos and as the area commands the highest location on the island, breathtaking views of the surrounding area, including the spectacular Caldera, Fira, Imerovigli and Oia are guaranteed. Pyrgos Restaurant offers a gorgeous setting for wedding ceremonies on the Aghia Fotini terrace that sits by the picturesque on-site chapel. You may book 'just the ceremony' anytime between 11am and 2pm. If you prefer a later wedding from 4pm, you'll need to also have your reception at Pyrgos Restaurant.

Cocktail Parties & Wedding Receptions

Pyrgos Restaurant's original claim to fame is its professionally run and excellent value restaurant patronized by locals for its whole array of delicious and freshly prepared specialities served with lashings of traditional hospitality. Another advantage when choosing Pyrgos Restaurant for the location of your wedding reception is that it offers several distinct areas (including indoor and outdoor settings plus private rooms if required) where you can celebrate your special day in the company of relatives and friends.

Of course, we will explain to you the many choices available and will supply menus based on your preferences, budget and number of guests. And if you want entertainment, fireworks, etc., we can arrange those special touches too!
