

With terraces 'hovering' above the beach, Theros Wave Bar ranks as one of the top ten beach bars in Santorini, so it's no wonder it has also become a popular wedding and reception venue! Just 15 minutes from the centre of Fira, it offers a gorgeous setting where wedding ceremonies can be organised in the evening right on the waterfront (from 7pm in May. Later times apply in June, July and September - weddings cannot be held in August). Whilst Theros Wave provides a wooden walkway and ceremonial table, other elements for your ceremony (arch, chairs, flowers, decorations, etc.) will be taken care of by our local wedding planner according to your wishes.

Cocktail Parties & Wedding Receptions

The open-bar package, which is compulsory, comes into effect upon arrival of your guests when everyone is welcomed with a glass of sparkling wine and canapes. Barbecue private receptions (depending on which month you marry) are prepared by the on-site chef for 30-50 persons and we'll provide you with full details of inclusions (larger parties will need an outside caterer). Everything to make the eating area look stunning is provided (tables, Tiffany style chairs, candle centre pieces and table cloths or place mats). Dance the night away with the professional DJ and make your wedding at Theros Wave be the best memory of the start of your married life.
