

Located some 10km west of Laganas, the traditional small village of **Agalas** sits on the mountain side amidst pine forests and above Damianos Cave. It is in this spectacular setting that couples seeking a picturesque venue can choose to marry at **Agalas View**, nestled within a dramatic scenery and with views of the sea from its elevated position.

The wedding ceremony and reception take place on the wooden deck balcony area and although it is not exclusive to your party, there will be a special section for you and your guests to enjoy a little more privacy until half past midnight which is the 'cut off time' at Agalas View.

Whilst this venue caters for up to 80 persons, weddings in July and August can only be for a maximum of 20 persons.

(\* ) = The official civil wedding ceremony takes place at the local Town Hall.

### Cocktail Parties & Wedding Receptions
