

This stunning setting view will greet you as you reach Turtle Island by boat

Gorgeous white sandy beach

Simple decorations can be organised

With its white sands, turquoise waters and sea caves to explore, **Turtle Island** is one of the most beautiful beaches in Zante! Under the protection of the Marine Park, beaches at Marathonisi retain an untouched, desert island feel and couples choose a simple beach ceremony because of the magical setting of this beautiful Greek Island beach. As chairs can't be transported to the beach and the choice of decorations is limited, this venue suits small parties of up to 10 persons and is simply perfect for couples seeking a chilled out, no-fuss set up in a truly picturesque area.

On your wedding day, a short boat crossing from the port of Agios Sosti takes you late afternoon (from 5pm) to the beautiful shore of Turtle Island where the ceremony takes place on the beach. Of course there will be time for photographs by the waterfront followed by a lovely tour of the island before getting the boat back to Agios Sosti.

() = The official civil wedding ceremony takes place at the local Town Hall.*
