

Located in the village of Koukklia (about 10-15 minutes from Paphos), this wonderfully rustic venue was created from two old farm buildings surrounded by beautiful gardens and set on archaeological grounds infused with history. Moreover, it also benefits from splendid sea views! The ceremony takes place on a spacious paved area where total privacy is guaranteed.

Also good to know is that Liopetro allows bookings for just the reception (minimum of 20 persons and conditions for minimum overall spent apply). Always best to have both on-site, in which case the hire of the reception venue with white linen covered chairs will also be included (other options are available at a supplement). And by opting for the full package, bride and groom have daytime access to the wedding suite at Liopetro, thus giving them the opportunity to get ready on the premises.

Cocktail Parties & Wedding Receptions

Options for your reception are plentiful and menus available will be supplied to you. From cocktail parties on the lawn to toast the bride and groom to delicious selections of canapes plus a choice of buffets and elaborate menus, there's everything on offer to delight your guests. And to ensure a true party atmosphere, music is permitted until midnight.
