

Historic beauty within the walls of the Byzantine monastery, fabulous views of the 18-hole golf course and surrounding areas, a rose petal-strewn path to an intimate herb garden, Minthis Resort is, without a doubt, a very romantic choice for an exclusive wedding.

- **Monastery Courtyard or Chapel:** Choose an outdoor ceremony in the pretty courtyard of the 12th century monastery or if you prefer to be indoors, the chapel is an equally picturesque venue.
- **The Lawn & Gardens:** This huge and beautiful estate offers some wonderful outdoor settings for the perfect location to exchange your vows. And if you wish to go barefoot to reach the fragrant herb garden, it's your day... it's your choice!

Cocktail Parties & Wedding Receptions

To delight your guests and give them a chance to congratulate you after the ceremony, a cocktail reception can be set up in the courtyard or in the gardens. And for your wedding reception, the choices are plentiful too, no matter your preference for a buffet or a set menu at the splendid Clubhouse or under the stars on the lawn.
