

A pretty ceremony venue under the shade

Mr & Mrs Batcheller on their big day at St Elias Garden

Very well maintained grounds

An utterly charming setting for up to 50 seated guests

This picturesque wedding venue in Protaras means that we can offer couples the chance to enjoy a civil ceremony outdoors instead of a local town hall. St Elias Garden Venue has been very nicely put together and comes complete with a shaded area within lush grounds planted with shrubs and palm trees just at the bottom of the rock on which sits the famous and very pretty chapel of Ayios Elias that dominates the area.

The ceremony venue accommodates up to 50 seated guests and additional standing space is also available on each side. For a supplement, the area can be decorated as you wish to reflect your wedding theme.

Such a lovely setting guarantees excellent photo opportunities on-site after the ceremony.

Cocktail Parties & Wedding Receptions

No matter how many guests you have invited to share your special day, we'll find the perfect venue for your wedding reception to suit your requirements, preferences and budget.

A local taverna or a restaurant, by the poolside or inside the ballroom at your hotel... tell us what you have in mind and we will advise you and make all enquiries on your behalf.
