♥ CIVIL WEDDING

♥ SAME-SEX SYMBOLIC CEREMONY

Nestled at the highest point of the spectacular caldera cliffs, Le Ciel is a 'Wedding & Event' venue where a spacious open-air terrace and the indoor reception hall set the scene for a memorable wedding day amongst family and friends. The terrace is where the morning ceremony takes place and it can accommodate up to 80 guests seated. Should you choose to marry late afternoon, your reception will also need to be on-site and it will be booked as a private party. But no matter whether you wish your ceremony to be under a stunning blue sky or by a seductive sunset, Le Ciel tops up the breathtaking setting with great professionalism to ensure you enjoy your best day ever!

Cocktail Parties & Wedding Receptions

There's more to Le Ciel than its panoramic location for wedding ceremonies: it is also a unique restaurant and we highly recommend you have your reception on-site! By taking the full 'ceremony plus reception package' it will include a variety of menu options (depending on number of guests), open-bar drink packages and the on-site DJ to ensure your special day is enhanced with a fabulous party atmosphere (music needs to be turned down after 23.00hrs).
