

Cameo Island lies a short distance from Laganas and offers a stunning and private setting for a Symbolic ceremony. To reach this tiny island, a local boat can be organised, enhancing the magical arrival of the bride as she makes her way to join her future husband waiting for her on Cameo Island. Alternatively, you may use the bridge for a leisurely stroll over the blue water.

Ask us for details of how we can decorate the venue to meet your requirements and complement this already very romantic spot. The ceremony can be followed with time spent posing for photographs before everyone makes their way back to Laganas where your reception can be organised to take place at a local taverna for you and your party.

(NB: this venue cannot be recommended to guests with walking difficulties or children in pushchairs).
