Located in the area of Vasilikos, some 8kms from Zante Town, this is an enchanting beach wedding venue for your very special day. Two choices are initially given: the first option is to have your ceremony and your reception on-site. The second option is to simply have the wedding reception at the restaurant (you cannot just have the beach wedding ceremony). For convenience, we highly recommend you go for the first option to allow you all the time you need to make full use of this magical area and even pose for some hugely romantic sunset photos! Set up right by the waterfront, ceremonies take place from 18.30hrs and exclusivity of the area is guaranteed for parties of minimum 25 full-paying persons - of course, decorations can be added to meet your requirements.

### Cocktail Parties & Wedding Receptions

Once you've said "I do", celebrate your new status with a few drinks with your guests on the beach, a perfect setting as the sun goes down. Then, just walk to the adjoining restaurant, perhaps enjoy a few canapes before your wedding reception. Menus are varied, giving you a choice of hot and/or cold buffet up to sit-down five-course meals. We'll dress the whole area as you wish and can even organise musicians and a fireworks extravaganza to impress your guests right up to the end of your magical wedding day!
