

Located some 10km west of Laganas, the traditional small village of Agalas sits on the mountain amidst pine forests and above Damianos Cave. It is in this spectacular setting that couples seeking a picturesque venue can choose to marry at Cave Damianos – Agalas View, nestle within a dramatic scenery and with views of the sea from its elevated position.

Due to the high demand for this venue, from 2024 onwards, Cave Damianos can only be booked on an exclusivity basis. The wedding ceremony takes place under the canopy area in front of the bar between 15:30hrs and 16:30hrs. The reception takes place on the wooden deck. The use of the chairs for the ceremony and the reception is included in the rental price as well as the tables and the tablecloths. The venue caters for up to 80 persons and there is an indoor restaurant accommodating up to 50 persons in case of bad weather. No weddings can take place between the 15/7 and 15/09.

** No more than one wedding a day **
