

Located on a hilltop with direct access to the stunning beach of Tsilivi 20m below, Balcony Hotel offers an amazingly panoramic setting for your wedding day. With the ceremony taking place on a paved terrace, you and your guests can indeed make the most of this magnificent backdrop while you exchange your important vows and, of course, the views of the bay will also add the perfect 'overseas wedding touch' to your photo album!

Decorations can follow your colour theme with a wedding arch adorned with flowers or Tiffany chair embellished with gorgeous bows. As Balcony Hotel is a very popular venue for weddings and receptions, we advise you to book as soon as you can.

Please note that a fee will apply for the hire of the ceremony venue if you decide not to have your reception at Balcony Hotel.

Cocktail Parties & Wedding Receptions

Choosing to marry at Balcony Hotel also gives you the opportunity to follow your ceremony with a cocktail party on the terrace plus a wedding reception that takes place indoors. We look forward to discussing the various options available at this terrific venue.
