

The **Limestone Heritage Park & Gardens** oozes local charm. Located in the traditional town of Siggiewi in the central-southern region of Malta, some 12km from Valletta, this picturesque venue is foremost a family-run and award-winning local attraction that celebrates the island's history and its unique stone resource. It features gorgeous gardens, an open-air museum walk-through, a miniature farm housing special breeds, an old stone quarry and a traditional Maltese farmhouse plus the chance to participate in stone-sculpting demonstrations and enjoy Maltese Folklore Nights in the Summer season.

Holding a license for civil wedding ceremonies, Limestone Heritage Park & Gardens offers several idyllic venues (indoors and outdoors) for your 'big day'. We can decorate the venue to follow your wedding theme, arrange a reception on-site (be it a cocktail reception, a buffet or an elaborate sit-down meal), all according to your budget and number of guests.

You'll also have the option to make use of a range of facilities including wall projections, fireworks, pyrotechnics, light projections, music and even live entertainment.

Worth noting is that this unique local venue can either be booked for just the wedding ceremony, just the reception or, of course, both.
