

Combining the beauty and elegance of an 18th century palace and the style and glamour of a beloved family home, **Palazzo Parisio** sits in the heart of picturesque Naxxar (approx. 10km from Valletta) and stays open to the public all year-round. Particularly well-known for its two top-rated restaurants (Caffe Luna and Luna Di Sera) plus the delightful Luna Lounge bar, Palazzo Parisio satisfies the most discerning patrons. Acquired from the Parisio family in the mid-19th Century by the Marquis Giuseppe Scicluna, it is now under the management of his great-grand-daughter, Christiane Ramsay Scicluna, Baroness of Tabria and her daughter. This formidable mother and daughter team have turned this very stately home into one of the premiere heritage attraction of Malta.

And it is within all this splendour, be it the 24-carat gilded and mirrored ballroom, the family chapel, the fabulous walled gardens, the orangery, the magnificent grounds, the open-air terrace, etc., that the most romantic civil ceremonies are held. Rest assured that nothing will be left to chance on your wedding day at Palazzo Parisio, no matter whether you opt for a simple ceremony in the ballroom followed by champagne cocktails and canapés, a stand-up reception with a finger buffet or a lavish silver-service gala dinner in the splendid gardens of the palace.
