

The **Castello Zamitello** is located on the outskirts of the village of Mgarr (less than 20km north of Valletta) on the road to Gneja. It is an elegant building which hosts weddings, gala dinners and other functions with all the savoir-faire and high class service expected from such a magical venue.

So, here's your chance to turn your fairytale wedding dream into reality with a choice of locations including a lovely outdoor terrace from which guests can witness the grand arrival of the bride as she walks down the beautiful stone stairs that front this authentic 17th century castle.

Needless to say that the whole setting, including the gardens, will make wonderful backdrops for stunning wedding photography.

Your reception can also take place at Castello Zamitello and options available will be discussed with you depending on what your preferences are and how many guests you will have.
